NO ONE ACTS ALONE

Call your senator 202-224-3121 and demand they put pressure on and speak out against 45 using military force without following protocol.

~He did NOT get the approval of Congress prior to the strike, this act was UNCONSTITUTIONAL

~He can bomb Syria but won't allow innocent citizens refuge

~45 has no concrete strategy for how he will move forwards

Sessions just did exactly what we feared...

~[Ordered a review of police reform agreements](#)

~Moving towards undoing federal intervention in policing practices, covering 15 current agencies indicated as troubled

Call your mayor and demand that your police department continue with police reform that reduces racial profiling and use of excessive force while increasing training and accountability.

We still demand an investigation into RUSSIA call these members and your own
